

The Risk Management Center is a web-based platform designed to help nonprofit and for-profit social service organizations protect their financial viability by preventing costly losses and safeguarding their reputation. It centralizes policies, procedures, training, orientation, and other company documents, making them accessible 24/7.

Key Benefits:

- Reduces risk and improves workplace safety through effective risk mitigation programs.
- Easy to use and cost-effective for the entire organization.
- Ideal for organizations seeking to proactively manage risk exposures, reduce claims, losses, and associated costs.

Tools designed to enhance your risk management program.

COI Track

- Manage the Certificate of Insurance (COI) process and ensure your business is protected from unexpected liability

HR Essentials

- Achieve HR compliance enabled through online educational materials, an HR & Benefits library, and access to on-demand “ask the expert.”

SDS Track

- Comply with the new Globally Harmonized System of Classification and Labelling of Chemicals

Audit Track

- Create Audits, surveys, questionnaires, and self-assessments

Online Risk Management Library

- Access a multitude of bilingual risk management documents and resources

BBS Track

- Cultivate a safety culture throughout your organization with a behavior-based Safety (BBS) Program. Ensure your employees are doing their jobs safely

Safety Observation Track

- Perform and track safety observations and demonstrate job compliance

Job Description Track

- Build job descriptions that clearly communicate employee responsibilities and job-related health and safety requirements

Training Track

- Automate your entire employee training process. Schedule, track, and document training with a database of training titles

*Available to qualifying policyholders.
