

Risk Control | The Risk Management Center

Comprehensive Risk Management, Employee Safety and Compliance Platform

Costly losses impact your bottom line and could negatively impact your organization's reputation. Help protect your nonprofit, or for-profit social services organization's financial viability with the Risk Management Center, a unique web-based software suite of safety and risk management tools designed to empower your organization's risk prevention efforts.

Combine your organization's policies and procedures, training requirements, orientation programs and other company documents in one location, available 24 hours a day.

The Risk Management Center enables you to reduce risk and improve workplace safety by creating effective risk mitigation programs. It is easy to access and use, and provides a cost-effective risk reduction and safety center for your entire organization.

The Risk Management Center is right for any organization that wants to proactively manage risk exposures to reduce claims, losses, and associated costs.

The Risk Management Center is available for Berkley Human Services insureds. Ask about the Risk Management Center and other Risk Control resources and services.
