

## Controlling Cooktop Fires

### Overview

[StoveTop FireStop](#) is a device designed to mitigate the property damage from cooktop fires by extinguishing the fire in its incipient stage. These devices are low cost, easy to install and require no maintenance. As a Berkley Human Services customer, you can purchase these devices at a discounted rate. There are two types of devices depending on installation with/without a microwave vent hood.

Vent Hood Type	Cost (pair)*
Regular	\$36.95 (retail \$56.95)
Microwave	\$59.50 (retail \$79.95)
* Minimum order quantity is 5 pair. See specification sheets (linked below) for more information and installation requirements. Shipping & handling is included to one address location.	

### Ordering Information

To order, please complete the form below and return to [riskcontrol@berkleyhumanservices.com](mailto:riskcontrol@berkleyhumanservices.com). Upon receipt your order will be verified and forwarded to an authorized reseller who will contact you for processing and payment remittance.
